

## IHPMobile

Available on the iPhone and Android Phones

Save time by having benefit information at your finger tips. The IHPMobile App is available free of charge and allows you access to your benefits information via your mobile device.

### View Personal Information

Check to make sure your phone number, address, and name are on record correctly.

### View Your Benefit Summaries

Conveniently check your benefit summaries for covered and non-covered services.

### Check Claims Status and History

No more guessing now that you are able to confirm your claim has been received and processed.

### View Benefits ID Card

Can't find your ID card, no problem. With IHPMobile you can conveniently pull up your benefits ID card at doctor's offices or pharmacies.

### Submit FSA Receipts

Use your phone's camera to conveniently snap a photo of your receipt and reimbursement form and instantly email for reimbursement.

IHPMobile can be downloaded from the iTunes Store or Google Play. To log into the App, all that's needed is your Vbas username and password. The App keeps you up-to-date with your current benefits and allows you to effortlessly browse pertinent information.
